Our production of DESPerad is suitable for all medical professionals and those who live with Diabetes. The event promises to be informative yet fun and has an important message to share with the audience which we sincerely hope you

**will be able to be part of.**

**The idea for this production has come from the enthusiasm of the DESP team, with the belief that this powerful yet entertaining story will help to emphasise the importance of retinal eye screening in particular and diabetic care in general. We hope this message will find its way to our**

**dedicated  
colleagues  
and those  
who  
depend on  
our  
Diabetic  
care and  
support.**

**We really  
hope you  
will be able  
to  
attend. Ple  
ase spread  
the word  
and let  
others who  
have an  
interest in  
Diabetes,  
both  
personal  
and  
professiona  
l, know  
about this  
exciting  
event.**

**Complime  
ntary light  
buffet  
refreshmen  
ts will be  
available.**
